

CURRICULUM VITAE

Thorsten Treue, Associate Professor

Profile Thorsten Treue, born November 12, 1963, specialises in socio-economic and political aspects of sustainable forest management in developing countries, in particular with relation to forestry sector management planning, decentralized forest management, timber trade, forest policy and Reduced Emissions from Deforestation and Forest Degradation (REDD). He has twenty years of experience in development research and teaching, three years of experience as long-term community forestry advisor in Nepal. Furthermore, he was Team leader on several short-term consultancies concerning forest management/policy in developing countries.

Education

1999	PhD (Forest Policy), The Royal Veterinary and Agricultural University, Copenhagen
1991	MSc (Forestry), The Royal Veterinary and Agricultural University, Copenhagen

	Period	
Employment	2005-	Associate Professor (Tropical forestry), Department of Food and Resource Economics, University of Copenhagen
	2001-2005	Assistant Professor (Community Forestry), Department of Food and Resource Economics, University of Copenhagen
	1998-2001	Long term (3 years) community forestry advisor: Nepal (Danida)
	1993 – 2006	Eight (team leader on five) Short-term consultancies on natural resource management and community participation in developing countries to Danida, Danced, PEM Consult, KVL, Cargill Technical Services, International Institute of Environment and Development, East Asiatic Company, Danish Forest and Nature Agency.
	1991-1997	PhD student and amanuensis in Forestry and Land-use in developing countries and Forest Mensuration, The Royal Veterinary and Agricultural University, Copenhagen

	Period	Title, position and place (max 10 lines)
Professional activities	2006-	Referee for various journals, e.g. Cons. & Society, Ecol & Society, Env. Cons., Forest Econ., Forest Pol. and Econ., Int. For Rev., Journ. Of Env. Man., Land Econ. World Dev.
	2006-	Committee evaluation member for 4 PhD theses abroad and chairman for 6 PhD theses in DK; supervision and co-supervision of 13 PhD students

	Period	Course name	BSc/MSc/PhD, ECTS	Responsible (Y/N)
Teaching Activities				
The last 5 years	2016-	Participatory Natural Resource Governance	MSc 7.5 ECTS	Y
	2001-2016	Participatory Forest Management	MSc 7.5 ECTS	Y
	2013-2017	Naturressourceforvaltning	BSc, 7.5 ECTS	N
	2012	SUTROFOR Preparing fieldwork in the Tropics and Summer School fieldwork in Tanzania	MSc, 15 ECTS in total	Y
	2006-	Forest and Timber Certification guest lecturer at SLU, Alnarp	MSc, 7.5 ECTS	N
