

Third Nordic Annual Environmental and Resource Economics (NAERE) Workshop

April 11-12, 2019 in Copenhagen, Denmark

CALL FOR ABSTRACTS

We are pleased to invite you to submit abstracts to the third Nordic Annual Environmental and Resource Economics (NAERE) Workshop. The workshop will be held at the University of Copenhagen, Department of Food and Resource Economics (IFRO), on April 11-12, 2019.

Please circulate this announcement to potential participants!

The NAERE Workshop is an annual event that brings together researchers and graduate students in or connected with the Nordic countries for paper presentations and networking. The inaugural workshop took place in Helsinki in April 2017 and attracted scholars affiliated with institutions in Denmark, Finland, Iceland, Norway, Sweden and the rest of the world. Last year's workshop took place in Bergen, and we hope to carry on the success of the first workshops and contribute to develop the NAERE Workshop into a long-term annual tradition.

The conference starts on Thursday April 11 at 12:00 and continues until the afternoon of Friday April 12. There will be a social dinner on Thursday. The workshop fee is DKK 1,100 (approx. €150) and includes lunches and coffee on Thursday and Friday and the social dinner on Thursday evening.

For registration, payment and submission of abstracts, see the conference webpage: ifro.ku.dk/naere2019. Abstracts should not be more than 2000 characters with spaces and deadline for submission is Thursday 28 February 2019. Participants will be notified by Friday 8 March 2019 on their paper acceptance. Questions, see the conference webpage or contact [Jesper S. Schou](mailto:Jesper.S.Schou@ifro.ku.dk)

We hope to see you in Copenhagen in April!
